

## COOKIES AND PRIVACY POLICY

For **HASEN PASLANMAZ A.Ş.**, the security and protection of your personal data are of great importance, and data protection and data security practices are carried out in compliance with applicable privacy laws. We would like to provide you below with information to clarify any concerns you may have regarding which data **HASEN PASLANMAZ A.Ş.** collects, how such data are used, and with whom they are shared.

When your personal data are submitted to us, such data are generally used to respond to your inquiries, fulfill your orders, or provide access to account statements specific to you. All such activities are aimed at strengthening our relationship with you as our customer.

We store the personal data you provide and use them to better understand your professional and social needs, and to improve our products and services accordingly.

Furthermore, such data may be used by **HASEN® BAYRAK DİREKLERİ ELEKTRİK ELEKTRONİK IND. & TRADE LTD. CO.** (or third parties included within our organization) for the purpose of delivering offers related to your business needs, or may be utilized in online research to better understand customer needs and profiles.

If you choose not to allow the use of your personal data for maintaining customer relations—particularly for direct marketing or market research purposes—we will respect your preference. We do not sell, rent, or otherwise disclose your personal data to third parties for marketing purposes.

### Automatically Collected Non-Personal Data

When you visit our website, we may automatically collect non-personal data such as the type of internet browser used, operating system, the domain name of the website from which you accessed our site, number of visits, average time spent on the site, and pages viewed. These data may be collected to measure website usage, improve content, and may be shared within our global operations.

### Cookies

“**Cookies**” are small data files that are automatically placed on your computer. When you visit our website, we may store certain information on your computer in the form of cookies to recognize you automatically during future visits. Cookies help us in many ways, including enabling us to tailor our website to your interests.

If you do not wish to accept cookies, you may configure your browser to notify you before cookies are stored or select the option to delete all cookie files from your hard drive.
